AMRA Annual Members' Meeting in Las Vegas, NV October 31, 2016

AMRA will be hosting its annual Members' meeting at the Venetian Las Vegas Hotel. This is a great chance to rub shoulders with key management figures from AMRA/MAP member organizations. You'll also meet key representatives from other industry associations, the trade press and others who "make our industry tick".

You'll learn about AMRA/MAP and its activities during the past year, its leadership and plans for growth moving forward. The meeting will include a keynote presentation by Jennifer Maher, CEO/Executive Director of the TechForce Foundation. She will address the critical shortage of automotive service technicians and how the "Future Tech Success™" initiative will strive to attract young students into careers in the transportation industry.

For more information, please see the meeting promo attached to this newsletter, or find further details at <http://amra.org/calendar/2016-10-31-october-31-2016-amra-map-annual-members-meeting>

AMRA/MAP's Winter Technical Committee Meeting — January 18-19 in Orlando, FL

The winter tech meeting will help companies plan for the year ahead and beyond. During its 1st Technical Committee meeting each year, MAP invites our industry's experts to outline all the NEW and Emerging Vehicle Technologies shops will soon find in their repair bays.

The meeting will be held at the Doubletree by Hilton Hotel Orlando Airport, 5555 Hazeltine National Dr, Orlando, FL 32812

Mark your calendar and make plans to join us in January!
